Ship your nailer pre-paid to the above address. Ship only the bare tool (no battery, cases, chargers or gas). Make sure the address you provide is a UPS shippable address (no PO Boxes). Print out this order form and include a copy with your tool. We will contact you when we have received it and assigned it a repair order. We will contact you with an estimate first, and when the tool is ready for return, we will contact you for credit card information. If, after you receive the estimate you choose not to repair the tool, it will be returned to you disassembled, postage collect. We do not re-assemble un-repaired tools.
